

Gold Medal - 2197NS Cheese Warmer w/ Pump

You name it, we have it here! All Cheese Warmers carry the NSF listing, which means they are easy to clean. Variable heat control allows fast warm up. Stainless steel water tanks on all Gold Medal Cheese Warmers -- nothing to rust through. Uses #2194 insert bowl(\$29.95). Order that separately. Improved cabinet design cheese warmer with heated spout, pump style.

All Cheese Warmer prices do not include the stainless steel Insert Bowl

\$349.00
