

Gold Medal - 2488SR Pop About 8 oz.

This is similar to the #2660SR, except with an 8-oz. kettle and the cabinet is 4 inches higher. It features built-in handles and cord holder, unique stay-hinged doors, and an E-Z Kleen Kettle. The EMS system maintains the correct wattage to the kettle for optimum performance—even with a 105-120 volt power supply. [CLICK HERE](#) for machine spec sheet.

Gold Medal Products is proud to be associated with the agencies noted. Not all equipment is listed with all agencies. Call 1-800-543-0862 for agency approvals for any specific model.
