

# Gold Medal - 5099NS Funnel Fryer

## In a Class By Itself!

95,000 BTU Burner makes six Funnel Cakes fast. Non-electric thermostat holds your cooking oil temperature - reduces cooking oil absorption - increases profits. Equipped with thermostat, safety pilot and drain. Always use a minimum 80 to 100 lb. gas tank. For outdoor use only. 95,000 BTU's from one "jet burner." LP gas only. All stainless steel construction 50 lb. cooking oil capacity. Minimum 10" (25.4 cm) clearance required on two sides and rear.

**\$2695.00**
