

Gold Medal - 5280M Saratoga Swirls

The hottest fried fun food on the midways is the Saratoga Swirls® and ribbon fries. You can't buy these at the super market like the spiral fry. Simply put a clean, unpeeled Idaho potato on the driver plate for ribbon fries or insert the wooden stick in the appropriate spot for Saratoga Swirls®. Next turn the motor on and watch the Saratoga Swirls® or ribbon fries appear. Deep fry it and season as desired.
